

Researches on the Nepalese mycoflora

(Revised account on the history of mycological explorations)

About the author

Senior Mycologist. Education: M. Sc. (Botany) Tribhuvan University (1973); Diploma in French language, FCC (1984); Doctorate en Science, Université Paul Sabatier, Toulouse, France, (1996). Career: School teacher (Shanti Nikunja Vidhyalaya, Marutol, Kathmandu, 1967); Asst. Lecturer (R. R. Campus, Tribhuvan University, Janakpur, 1973-74).

In Nep. Govt. Project Incharge Herbal farms, Department of Plant Resources (1974-1983); Cryptogams sectional Head (Scientific Officer) (1983 – 1997); Project Coordinator, Nepal Flora Implementation Project (1997- 1999); Chief (Senior Research Officer), National Herbarium and Plant Laboratories (1999–2002); Professor and Campus Chief, Science and Technology Campus Purbanchal University (2002 – 2003); Chief (Senior Research Officer) National Herbarium and Plant Laboratories (2003 – 2006); Sectional Head, Biodiversity Section and Project Coordinator (Herbal Promotion Project) (2006 – 2008); Deputy Director General, Department of Plant Resources (Dec. 2006 – May 2009). Researcher : Mycotaxonomy, Mycobioogeography, Biodiversity of mycoflora, Phytogeography, Ecology, Ethnomycology, Ethnobotany, Tissue culture, Ayurvedic concepts of fungi, Medicinal and Aromatic plants. Publications: 'Mushrooms of Nepal' (2000), 'Poisonous mushrooms of Nepal' (2009), *Fungi of Nepal 1 – 4* ((1996, 1997, 2001, 2006), 'Fungi of Lalitpur, Nepal (2003), Books 10 (joint authorship); Papers more than 150; reporting more than 200 species new to Nepal and 12 species new to science. Editor: *Fungi of Nepal. 1 – 4* (1996 – 2003); *Proceedings 'Flora of Nepal'* (1997); *Natural History Society Bulletin* (1991 – 2000); *BIO-REFOR, Proceedings* (2000); *Flora of Nepal vol. 3, 4, 1, 6, 23, 26, 32, 33, 47; Flowering Plants of Nepal (Phanerogams),* (2001); *Pteridophytes of Nepal. Bull. No 19* (2002); *Flora of Royal Botanical Garden (Phanerogams) Bull. No. 21* (2003); *Wood anatomy of the family Fagaceae. Bull. No. 23* (2004); *Research on Plant Tissue Culture. Bull. No. 24* (2004); *Bull. Dept. Pl. Res. 13 – 27* (since 1996); *Medicinal Plants of Nepal. Bull. Dept. Pl. Res. No 28,* (2007). Seminar attended more than 30. Organization membership NAHSON (founder and life member); NBS (founder, life member and Vice President; MAPSON (founder, life member and Vice President), Member Secretary of APINMAP/SCAMAP committee, Nepal National Commission for UNESCO, Ministry of Education & Culture (1993-1996); Community activities, HMG Service. Honors Janpad Sewa Padak (1988); Shree Panch Birendra Rajyarohan Rajat Mahotsav Padak (1996); Mahendra Vidhya Bhushan Padak (Gold medal A grade) (1997); Janpad Dirgha Sewa Padak (2001); Credit: The Department of Postal Services, Govt. Nepal released the stamps of *Russla nepalensis*, *R. kathmanduensis* and *R. chloroides* var. *godavariensis* described by him. Awards: Young Scientists travel fellowship award" ICSU/COSTED/ UNESCO, India (1992); Laptop computer, France-Nepal Association, Toulouse, France (2007). Honored by naming a fungus (*Puccinia adhikarii* Ono, 1996) after him.
